Past Performance:

DTLR

June 2024-Jan. 2025

Delivered dedicated on-site security coverage within a fast-paced retail environment; acted as a visible deterrent by maintaining strategic positioning and active floor presence; identified suspicious activity and responded to incidents

Hampton University

Oct. 2023-Present

Assist with maintaining a safe and secure atmosphere for students, faculty, staff, and visitors during on-campus events; demonstrate professionalism and adaptability in a dynamic, high-traffic setting

Retail Security Services, Subcontractor

May 2023-Present

Deliver consistent on-site security presence focused on loss prevention, incident response, and customer safety; conduct patrols, monitor high-traffic areas, enforce property policies to deter theft and disruptions, and support retail operations by maintaining a safe and welcoming environment for customers and staff

Birdneck Station, LLC / Phillips Edison & Company

Oct. 2022 - Present

Deliver on-site security presence to deter theft, loitering, and disturbances; monitor premises and respond to incidents to ensure a safe environment for customers and staff

Single Source Security, LLC d/b/a Protos Security, Subcontractor

March 2019 - Present

Provide Armed and unarmed security, roving patrols, fire watch, and site monitoring across multiple sites throughout the Hampton Roads region.
